By Barry Napier

A collection of stories of one man's travels...

Travel is that bit between here and there. How you see that bit is up to you. Look in the backstreets, the suburbs, because that's where the genuine article is. Something different is just around every corner... if you want to see it. This is a collection of stories of one man's travels, and they don't tell the half of it! Lots of fun and memories.

First Edition August 2007:

[eBook PDF £2.50](#) (105 pages) Full Colour
[Paperback £18.17](#) (105 pages) Full Colour
