If you have been taught, or even think, that there are many ways to God, you have believed a lie. There are many Religions in the world which are false, and the people worship idols instead of the true and living God.

There is only ONE God which saves for eternity, and He is the Lord Jesus Christ, who came to the earth to live and to die on behalf of His chosen people. He came to do the Father's will, to die on the Cross of Calvary. Mary was a chosen vessel to bring forth the baby Jesus, but she was also a sinner, the same as everyone born into this world. She did not know a man, until after the birth of Christ, as He was conceived by a miracle birth by the Holy Spirit.

You cannot get to Heaven by anything which you do, for good works cannot save, but only through the grace and mercy of God can you be brought to know the Saviour and be truly born again. It is all the work of the Holy Spirit who indwells a believer.

There are many false gods in this world, who gain a huge following, and many fall for them. They have satanic powers and draw unbelievers to themselves. These are to be avoided like the plague.

There is only One true and living God, in three, the Trinity, the Father, the Son and the Holy Spirit. There is only One way of salvation, in and through the Lord Jesus Christ, who is very God and very man.

The Lord Jesus Christ is the way, the truth and the life, and no man comes to God the Father except through Him. John 14 v. 6

Get a King James Version Bible and read John's gospel, and if the Lord is drawing you, it will become alive to you and it is the Word of God which saves.

John 5 v. 24 *"Verily, verily (in other words take notice) I say unto you, He that heareth my word and believeth on him that sent me, hath everlasting life, and shall not come into condemnation;*
