## With Thanksgiving

Unceasing praise arises from the bottom of my heart  
For all the constant care from the Great Physician's heart  
Jehovah Rophi is my theme; His love will never cease  
I'm indebted to Your gifts of strength and inward peace  
I'm indebted for my life; thanksgiving is my song  
I kneel in deepest gratitude, in weakness I'm made strong

Through Your Spirit, we're equipped to raise a strong refrain  
Glory, honour, praise for the power of Your name  
The everlasting message of the triumph of Your death  
Behoves us thus to testify, with borrowed daily breath  
Of the Gospel of the Saviour, of the triumph of His Name  
Until the pages close, at Your coming LORD again

2 Timothy 4: 17

*'But the Lord stood with me and strengthened me, so that the message might be preached fully'*
