---

### **The real, most basic, reasons why...**

our ministry condemns and shuns homosexuality in all its hues is that God Himself condemns it AND homosexuals and because homosexuals harm society as a whole and persecutes believers.

### **The real, most basic, reasons why...**

our ministry condemns Islam is because Islam is idolatrous and God hates idolatry, commanding us to reject it.

### **The real, most basic, reasons why...**

our ministry rejects any call to help Muslims who invade Europe is that they contain many murderers AND because God says we must NOT help those who hate Him... and when they come they commit crimes.

All other reasons are just details! Christians – GET UNDERSTANDING!!!
