

Sin has degraded everything around us

Written by K B Napier

Why do we need police?

Sin.

Why do we need armies?

Sin.

Why do we need doctors and nurses?

Sin.

Why do we need mental health services?

Sin.

Why do we need security guards?

Sin.

Why does everything cost so much?

Sin.

Why does homosexuality exist?

Sin has degraded everything around us

Sin.

Why do people curse in the streets?

Sin.

Why are pubs and clubs centres for evil?

Sin.

Why, then, are we so surprised by televised wickedness, Islamic murders, and governments siding with evil?

Sin has degraded everything around us, and everything within us. And this will get worse until the last day.

Only sinners saved by grace will survive into the next life.

The majority will enter a place of torment forever.

This is why Christians must witness, not just in words, but in actions that praise God. Do you?
