

A day to mourn...

Preface

"Yesterday and today, same sex marriage dominated the top spot in the news.

Yet, the news is not worthy of it, nor does it apply to anyone other than the vile less-than-one percent of people who turn to homosexuality for their sexual perversions.

A pro-gay MP said he 'would not tolerate' anyone who will not accept the situation!

We are seeing the formation of a fully-fascist situation and no-one has the guts to stop it.

Christians MUST be clear and precise about it when they are able to say anything." (K. B. Napier)

Same-Sex Marriage is Law in the UK

At 00:01 hours on Saturday 29 March 2014, the parody of Same Sex Marriage became law in the UK. Like dogs let off a leash and bounding forward, same sex couples wasted not a minute to publically declare their 'love' and long term commitment to each other as 'husband and husband' or 'wife and wife' and to rejoice on the trampling of God's covenant from the dawn of creation for a man and a woman to be joined together as biology and anatomy confirms.

David Cameron tweets congratulations to all same sex couples and the country, with the unanimous agreement of the leaders of the three main political parties, enters a new era where sodomy is exalted to the same status in law as natural marriage. The traditional concepts of parenting, generations and natural marriage are decimated and children who end up in same sex marriage will never have the experience of a loving relationship and family unit based around a mother and a father.

God has not stopped Same Sex Marriage from happening.

Same Sex Marriage is a judgement on Christians, and those who take that name for their religion, for trying to appease the anti-God LGBTQ movement with concessions and tolerance that should never have even been discussed let alone become mainstream in the Church. We have indeed reaped what we have sowed. Sin has been sown and a full crop of sin has been reaped. The enemy has polluted our thinking and our values to the point where almost every Christian is clueless about what is right and wrong as demanded by God.

The values of civilised society have been overthrown and now the God hating occupiers are cleaning up and imposing their tyranny on everyone. The privileges and freedom that were won with the blood of millions in the past have been surrendered to a bondage of God-less moral values.

Sanctimonious politicians bleat about paedophilia and pornography being oh so terrible, yet at the same time legislate that children are exposed to pornography in the classroom in the name of sex and relationship education, hand out morning after pills and contraceptives to minors below the age of consent without parental consent, and teach the Stonewall version of sexuality that same-sex attraction is normal and to be explored without constraint – don't even think you can change your same sex attraction is what Geraint Davies MP wants to legislate.

For Christians, now is the time to be clear in your heart on where you stand. Will you as an individual uphold the truth of God at all cost? Will you shine your light and honour God before all men? Are you part of the true remnant?

Be encouraged brethren, the Lord will be with us during this great trial and His name will be glorified before the scornful.

Psalm 1

1 Blessed [is] the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful.

2 But his delight [is] in the law of the LORD; and in his law doth he meditate day and night.

3 And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.

4 The ungodly [are] not so: but [are] like the chaff which the wind driveth away.

5 Therefore the ungodly shall not stand in the judgment, nor sinners in the congregation of the righteous.

6 For the LORD knoweth the way of the righteous: but the way of the ungodly shall perish.
