

## BBC's False Trail Concerning Immigration

Written by K B Napier

---

I have noticed how the BBC and others are creating a false trail concerning immigration.

The emphasis is being put on EU migrants and almost nothing is said about Islamic migrants.

We have been told today that the immigration issue is 'complex'.

OH NO IT ISN'T!

The answer is very simple...

If we leave, we must immediately stop all migration into the UK while things are done differently.

ONLY let in people who already have jobs, have enough cash to support themselves for a few years, and will not harm us or fight against us.

In particular we must slow down if not stop Islamic migration, so that our culture is not removed and replaced by a backward sharia-led Islamic culture of hate and enforcement. We have witnessed how social workers and others immediately jump on Christians because they think they are influencing their kids. BUT THEY DON'T DO THE SAME WITH MUSLIMS.
